Location: Bixler Park Tennis Courts

- A bean bag through the hole will result in three points, while a bag resting on the platform is worth one point.
- Only the team with more points in a given turn will receive points toward their total score (example: Team A scores 5, Team B scores 3, Team A scores 2 points in given round).

- Each player will throw four beanbags each round.
- Throws that come up short and then bounce onto the board will not be counted. If the throw hits the grass first, no points are awarded, this will be determined at the discretion of the team NOT throwing.
